Team Kilee Fundraiser a Huge Success!

**A GREAT BIG
THANK YOU goes
out to ALL who
helped, attended,
and/or donated!!!**

Between the dinner, auction, and t-shirt sales we have been able to present the Campbell family with approximately \$8500!! Donations have still been coming in this week, and tonight Tina from Fire Chicks Photography will be wrapping up the Family Photo Shoot fundraiser that is sure to be another success!

8th Grade Bottle Drive/Drop-Off

On Sunday, May 27, the eighth graders will be having a bottle drive/drop-off from 9:00 AM to 12:00 PM. There will be a trailer at the school during this time for anyone that would like to drop off bottles/cans, or the eighth graders will be around and you can donate your bottles directly. Stacy Curtis has established an account for the eighth grade class at his redemption center, so if anyone would like to donate bottles now, you can drop them off and let Stacy know the money should go to the eighth grade class.

This Week's Lion Pride! 7th Grade

MAY 18TH, 2018

PATRON'S CORNER

PATRONS' Annual Walk-a-thon is planned for June 1st
(rain date June 4th).

Pledge Forms will go home early next week.

This event raises money PATRONS uses to support multiple school projects as well as all the annual events such as the Halloween Party, Penny Sale, Holiday Breakfast and Teacher Appreciation week. Please return Pledge Form with donations on June 1st. Thank you!

Our next PATRONS meeting is June 4th @ 5:30

Why are our 2nd Graders Playing With Worms?

The second graders are studying soils in science class and have created compost bags with worms. Over the next few weeks, they will discover how decaying plants change over time into humus, which is a main component in soil and the major source of nitrogen for plants. They are very excited about the worms!!!

Just a friendly reminder to pay your child's lunch bill in full by the end of the year. Stop by the front office or use our convenient online payment system at
